Fixed monthly payments required for 60 months. Qualifying purchase amount must be on one receipt. Interest will be charged on the promo purchase from the purchase date at a reduced 9.99% APR and fixed monthly payments are required until paid in full. These payments are equal to 2.12% of initial promo purchase amount and rounded up to the next whole dollar. These payments may be higher than the payments that would be required if this purchase was a non-promo purchase. Regular account terms apply to nonprime purchases. For new accounts: Purchase APR is 29.99%. Minimum interest charge is \$2. Existing cardholders: See your credit card agreement terms.
