

Dear Valued Customer,

As we continue to monitor the rapidly evolving situation regarding COVID-19, we want to do our part to slow the spread of this virus. We are continually monitoring all state and federal guidelines.

As concerns about the coronavirus (COVID-19) have grown across the country, we at Denno's Furniture want to address some of the questions and concerns we have received.

**Frequently Asked Question:**

**Is Denno's open to the public?**

No, in accordance with the statewide stay at home mandate, Denno's will be temporarily closed for business effective March 24<sup>th</sup>.

**When will Denno's Open?**

The stay at home order issued for the state of Michigan is in place through April 13<sup>th</sup>. Our plan currently is to reopen for business on April 14<sup>th</sup>. This may change due to government order and we will continue to monitor the situation while following all State and Federal orders.

**What about scheduled deliveries?**

Unfortunately, due to the Michigan State order to shelter in place, we will not be able to keep delivery staff on the road during this temporary closure. At this time, we have postponed all scheduled deliveries. Customers will be contacted by our schedulers as soon as we're authorized to re-open for business.

**Can we still shop online?**

Yes, visit [Dennos-furniture.com](http://Dennos-furniture.com) to see our complete selection of products.

We will keep you updated on any developments or changes on social media and at our website
