Avid Home Theater is located in Contra Costa County. And while we know that many of our clients are not, we are aligning with this directive and are in the beginnings of returning to work in limited capacity. You have, and will continue to see correspondence from our office with considerations related to site work. Generally speaking, in accordance with Covid-19 provisions from OSHA and our own safe-practices, our staff will always take a safety-first approach. If you have questions, please reach out to our office for clarification.

We will continue to monitor the situation daily and we are prepared to continue to make dynamic adjustments to our policy as we see fit. Our objective continues to be to protect the health of our clients and staff.
