

Covid 19 Statement:

Valued Synergy Florida Customers,

Our highest priority continues to be the health and well-being of everyone who comes to our Synergy showrooms. As we navigate the evolving impact of Coronavirus on our community, we have now reopened our showrooms, and they are sanitized in an ongoing basis throughout the day. We do have a “facial covering policy” currently in place for everyone entering our facility. We appreciate your efforts, as well as our staff's, by being considerate in adherence of this policy. Doing so will protect everyone, as well as keeping a clean environment.

We are continuing to offer virtual web conference meetings if you would prefer this safe and convenient process.

Thank you for your understanding and patience. Our prayers are with you and your family during this time.
