*For When Life Needs Balance*

It's easy to say that life isn't always easy, which is what makes Recline Time so valuable to us. At that perfect moment of the day, we can recline into perfect balance, recharging ourselves and taking a load off the pressures of life.

With the right balance, we can ease ourselves into effortless relaxation and breathe easy as the busy day winds down.

What makes one recliner better than another—and which one creates the perfect balance? The answer is different for each and every person—but there is indeed a “magic bullet”...Power. With power features for leg, lumbar, head rest and lift, everyone can find the perfect position to create that breathe-easy-balance.

***Empower your perfect relaxation with the fit that is truly you.***

# ***GLIDER RECLINERS***

With the coziness of a smooth gliding motion as opposed to the traditional rocking, the Glider Recliner is a step above in relaxation. Step away from tradition and complete your ideal living space with gliding comfort you're sure to love.
