

Yale Appliance Product Installation Warranty

1-Year Limited Installation Warranty

Yale Appliance ("we," "our," or "us") is committed to providing reliable and professional product installation services for our valued customers. We take pride in our workmanship and strive to ensure that every installation is completed to the highest standards. To demonstrate our confidence in the quality of our installation services, we offer this 1-year limited warranty.

Coverage

This 1-year limited installation warranty ("Warranty") covers defects in workmanship related to the installation provided by Yale Appliance Custom Installation Team. The Warranty period begins from the date of completion of the installation and remains in effect for a period of 1 year.

Warranty Terms

1. **Scope of Warranty:** This Warranty covers any installation-related issues that arise due to faulty workmanship, including improper assembly, fitting, or securing of the Product.
2. **Exclusions:** This Warranty does not cover any defects or damage caused by improper use, accidents, modifications, unauthorized repairs, natural disasters, vandalism, or any other events beyond our control.
3. **Proper Use:** It is essential that the Product is used and maintained in accordance with the manufacturer's guidelines and any specific instructions provided by us during the installation process. Failure to follow these instructions may void the Warranty.
4. **Notification of Issues:** If you encounter any issues with the installation during the Warranty period, you must notify us promptly. We will promptly assess the reported problem and, at our sole discretion, determine if it falls within the scope of this Warranty.
5. **Repair or Replacement:** If the issue is found to be covered by this Warranty, we will, at our option, either repair or replace the faulty installation component free of charge. The replacement part may be new or refurbished, depending on availability.
6. **Transferability:** This Warranty is non-transferable and applies only to the original purchaser or the property owner where the installation took place.
